Sir,

I beg to acknowledge the receipt of your letter of the 31st ult., your file # 170173, and in reply to say that Volunteer Bounty Land Certificate # 7957, and the Assignment in connection therewith, did not pass through my hands for registration in the Department, but was forwarded by Mr. Lobt. At his request however, I attached a brief note to the Department, asking that action in the matter might be hastened, as Mr. Nevins was anxious to get located in the Grande Prairie district as soon as possible.

He has today secured a fresh Warrant # 1115, together with an Assignment, which is to replace the former Certificate on account of the omissions in the Assignment. I am enclosing herewith his new Warrant, which I trust the Department will register in his name, and return it to him at once, to Grande Prairie.

Sir,-

N.W. ¼ of Sec. 10 Tp. 53 Rge. 6 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

[illegible] SQUATTING ON [illegible] RESERVE LANDS.

Sir,

"It has come to the attention of the Board that you are in unauthorized occupation of certain lands known as Hudson's Bay Company reserve lands. I am directed by the Board to say that up to the present time Board has no jurisdiction with respect to any of these lands. These lands have been under reserve for a special purpose and have not been available to entry, sale or squatting.

"In the event of any lands, of this or similar character, being transferred to the Board for the benefit of returned soldiers, the same must be disposed to eligible settlers by entry, sale or as otherwise decided, in accordance with the Regulations of the Board, so that all eligible applicants will have the same opportunity of participating. Private claims on the basis of unauthorized squatting to secure precedence over others equally entitled cannot be recognized.

"In the case of lands more than ordinarily valuable the principle has already been laid down by the Order-in-Council of October 30th, 1918, that such lands were to be withheld from disposition pending the completion of demobilization, and were then to be disposed of on such terms and conditions as would be appropriate to each case.

"In the case of the Hudson's Bay Company Reserve Lands the standing and quality of the land required investigation some of it is not suitable for selection, some of it may be under lease and not available. Final action for disposition could not be taken until after inspection and it was determined what the Board could select. The inspection has been under way. It covers a wide area and is not yet fully complete. Until demobilization is completed the terms of disposition of the land could not be decided.

"We might also point out that no land would be transferred to the Board which is not clear for the purpose of equitable distribution to returned soldiers. Any land, the title or possession of which is complicated by contentious occupancy or claims, is not suitable for disposition to soldier settlers under our Regulations.

"Even were the land already in our possession you will readily see that the Board could not permit claims to be established by certain applicants taking the matter into their own hands and assuming possession of the land before all other returned soldiers, equally entitled have an equal chance.

"Were unauthorized squatting permitted it would [illegible] since it would simply mean that whenever the Board set apart lands to distribute to returned soldiers the lands would be jumped by unauthorized squatters before the same could be equitably disposed, under regulation, to returned soldiers.

"The policy of the Board in all such cases must, therefore, be to protect the rights of all returned men and to dispose of lands becoming available for returned soldiers under regulation. Unauthorized squatters cannot be recognized.

"Your action being in trespass and contrary to law, please at once vacate the land and remove any property that you may have placed on same. Any continuance of such trespassing can only interfere with the general interests of returned men in respect to the land."

The Committee of the Privy Council have had before them a Report, dated 29th August, 1928, from the Minister of the Interior, representing that under the provisions of section 6 of the Soldier Settlement Act, Chapter 188 of the Revised Statutes of Canada, 1927, the Minister of the Interior was empowered, at the request of the Soldier Settlement Board of Canada, to reserve, or, with the approval of the Governor in Council, to transfer to the said Board, any Dominion Lands under his administration;

That by Order in Council of the 30th October, 1918, P.C. 2849, further provision was made in the case of particularly valuable Dominion Lands becoming available for the purpose, that such lands be set apart for soldier settlement, to remain specially reserved for disposition later, as may be deemed proper with the approval of the Governor in Council;

That in pursuance of the foregoing, certain parcels of land, described in the annexed schedule, have from time to time been placed under the administration of the said Board, and have been disposed of under regulations framed by the Board and approved by the Order in Council of the 12th March, 1920, P.C. 543; and

That application has now been made for the issue of title thereto in the name of the Board;

The Minister, therefore, recommends that title to the lands described in the schedule attached hereto, comprising an area of 12,850.63 acres, be transferred to the Soldier Settlement Board of Canada in the right of the Dominion, subject to the usual reservations with regard to mines, minerals, water rights and springs.

The Committee concur in the foregoing recommendation and submit the same for approval.

sgd. E.J.Lemaire
Clerk of the Privy Council.

the Minister of the Interior.

OTTAWA,

20th July, 1918.

Sir,-

¼ S.W. Sec. 36 Tp. 60 Rge. 4 West 5 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Clarence Mills Ilsley, Esq.,

Bloomsbury,

Alberta.

of Dominion Lands.

Your favor of the 17th. re the above to hand and contents noted. We regret to advise you that we know nothing whatever regarding this Mr. Rogers and this is the first intimation that we have had that the payment of our account was subject to this man Rogers security, and this is to advise you that even now we do not recognize this as a corporal of the R.N.W.M.P. simply called and ordered certain goods and asked for the invoice for same. We therefor expect the mounted police to meet this bill.

We might say in conclusion however that we would have no objections in assisting you in locating this man Rogers if there was any means by which we could assist you, but not knowing the man in question for any thing concerning it we have no way of securing further information.

Dear Sir:

Re: My [illegible] S.E. 5th M.

Dominion Advances

The above party obtained the following Dominion Advances giving as security liens on the title to the parcel above described.

August 10,1915	$37.25
December 28,1916	40.00
	77.25
Interest to November 30th,1953	86.07
	163.32
Payment	40.00
	123.32

The land was purchased by A.E. Roads and title issued to him on August 27th,1946. It is encumbered by two liens referred to above. The recited purchase price was six hundred dollars ($600.00). Roads apparently purchased this land to help and establish his brother-in-law, George Robertson on this land and agreed to sell to Robertson for six hundred dollars ($600.00) with a down payment of One hundred dollars ($100.00). Robertson is now deceased and the estate is being administered by the Public Trustee.

Representations have been received from Mr. D. V. MacGillivray of Kinsey, acting as agent for Mr. Roads, that the Public Trustee will require a clear title to the estate of George Robertson after payment is made to Roads to cover the Agreement of Sale, and that Mr. Roads did not have any knowledge of the liens when he purchased the land.

A payment of Forty dollars and seventy-seven cents ($40.77) has been received from the office of the Public Trustee and this amount represents the amount of principal owing.

The present whereabouts of Mr. George V. Roberts are unknown.

In view of the circumstances set out above and the fact that the present owner will not realize any increment on his investment in purchasing this land

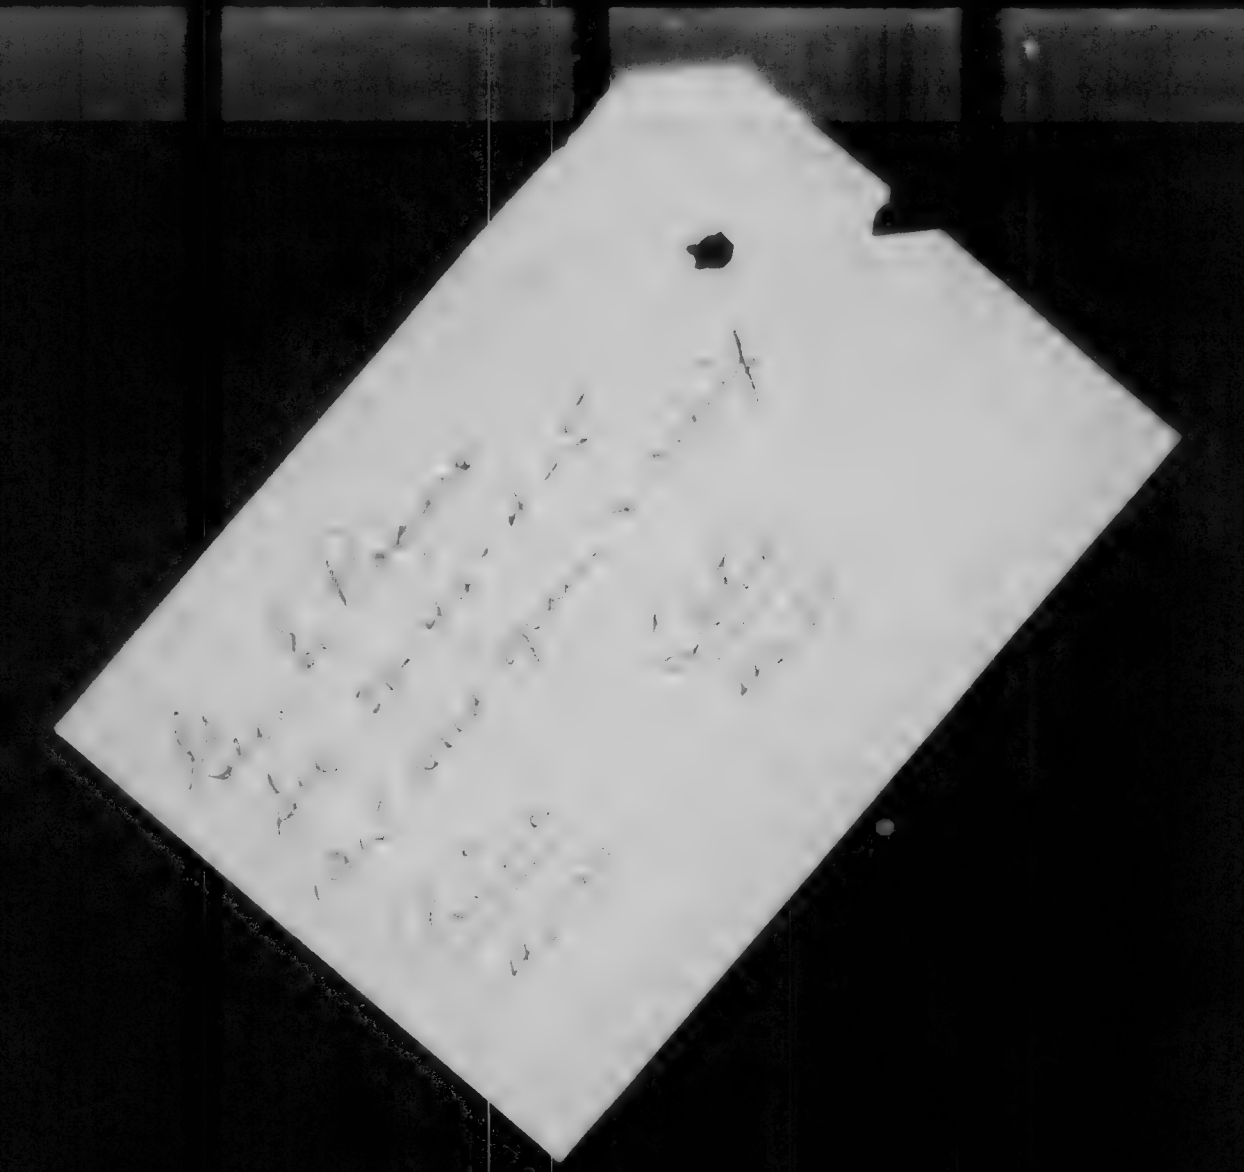

Cont'd p.2.

my opinion that the offer and payment of the principal amount outstanding namely, forty dollars and seventy-seven cents ($40.77) be accepted and I would so recommend.

It is my further recommendation that after application of this sum of forty dollars and seventy-seven cents ($40.77) the account be so adjusted that the indebtedness will be paid in full.

Sir,-

Relating to our conversation on Saturday the 24th inst. regarding the extention of time for the performance of settlement duties by Mrs. Jean Whitley on S.E.¼ 77 and N.E.¼ 29.Township 81, Range 4. West of 4th M. Alberta. I would beg to say Mr. and Mrs. Jean Whitley first came to Canada from the United States about 10 years ago. They homesteaded some 18 miles east of Olds, Alberta, proved up, got the title to the land, and Mr. Whitley became naturalized in Canada.

Some time after the naturalization and proving up on the land Mr. Whitley was attacked with Locomotor Ataxia. His doctor recommended treatment at Hot Springs, Arkansas. They sold their property and chattels and moved to Hot Springs. At the end of three months the doctors at Hot Springs advised Mr. Whitley that they would cure him, on the strength of this advise Mrs. Whitley returned to Canada, purchased scrip to begin homesteading privileges were exhausted, and located on lands above stated.

At the end of six months residence, Mr. Whitley was discovered as insane. Their home was completely exhausted and under the date order of notice in August last Mrs. Whitley has struggled in an almost hopeless struggle to complete the settlement duties. She had got the first three duties done but need been unable to get the full amount of breaking

"There was no cultivation on either homestead or

"cancellation proceedings be instituted."

In view of the Inspector's report cancellation proceedings were instituted on the 4th February last.

Inspector Webb-Bowen on the 15th February last stated that he had made enquiries when he was in the Spalding district but could not locate any person who had ever seen or heard of the entrant.

With interest to the 31st March, 1926, Mr. Charles O. Sandberg's seed grain indebtedness on the half-section amounted to $234.52.

In view of the fact that this fractional quarter section only contains eighty acres as shown on several communications on file from Patent Branch, it would seem that provided Mr. Laughy is in a position to furnish proof of ownership of the North East quarter of Section 9, there would be no objection to him purchasing the North West quarter of Section 10 at an Inspector's valuation.

I would, therefore, recommend cancellation of Mr. Sandberg's pre-emption entry and Mr. Laughy, if the owner of the North East quarter of Section 9, be allowed to purchase this quarter section at an Inspector's valuation, subject to seed grain indebtedness.

Entries of Charles O. Sandberg.
Cancellation proceedings outstanding.

The Assistant Commissioner has asked for a report in view of the Deputy Minister's memorandum of the 21st instant, attached to which is a communication from Mr. J. V. Laughy to the Honourable Charles Stewart, wherein he claims that he has title to the North East quarter of Section 9, Township 40, Range 5, West of the 4th Meridian, former homestead of Charles O. Sandberg, and desires to acquire the North West quarter of Section 10, Township 40, Range 5, West of the 4th Meridian, the pre-emption of Mr. Sandberg, as a purchased homestead.

It would appear that the correspondent wrote the Agent in connection with this quarter section on 4th instant, who informed him that should Sandberg's pre-emption entry be cancelled he would be notified.

In connection with his pre-emption, with the exception of payments, Mr. Sandberg made a satisfactory application for patent on the 6th October, 1919.

A Certificate of Recommendation issued which expired on the 9th April, 1921. Later extensions were allowed until the 1st November, 1922.

With interest to the 1st November last the pre-emption indebtedness amounted to $365.55.

I beg to inform you that in view of information received in the Department that the entrant has deserted his pre-emption and as the said entry is seriously in default with respect to payment of the purchase price, you are hereby instructed to summarily cancel this entry and reserve the land pending further instructions.

I am also to instruct you to obtain an Abstract of Title covering the land and refer same to this office.

A request has been received from Mr. J. V. Laughy, owner of adjoining land, that he be allowed to purchase this area of eighty acres. I am, therefore, to request that you have an Inspector with the least possible delay furnish a report as to the value of this land per acre.

The entrant, Charles O. Sandberg, is indebted to the Department on account of seed grain on the strength of this quarter section and the North East quarter of Section 9, Township 40, Range 5, West of the 4th Meridian, his patented homestead. The Inspector, therefore, should also place a valuation per acre on the patented homestead in order that consideration may be given to an apportionment of the outstanding seed grain account in accordance with the recent legislation in that regard.

Memorandum: Mr. Perrin.

Re frac. N.W.¼ 10-40-5-W.4th M.
Former pre-emption - Charles O. Sundberg.

One J. V. Laughy of Metiskow, Alberta, wrote the Minister last April stating that he was the owner of the Sundberg homestead (N.E.¼ 9-40-5-W.4th M.) and needed the fractional North West quarter of Section 10 in order to have water facilities.

On the evidence before the Department it was apparent that Mr. Sundberg was in default with regard to payment of the purchase price for his pre-emption and it was accordingly decided to carry out cancellation and at the same time to obtain a report as to the value of the land; also as to the value of the patented homestead, the object being to consider the question of an apportionment of the seed Grain indebtedness.

On the 15th June last Homestead Inspector Pembry submitted a report valuing the patented homestead at $6.00 per acre and the cancelled pre-emption at $3.00 per acre, the land in the latter case being described as poor and sandy and altogether unfit for agricultural purposes.

I understand that although regulations have been framed under the amendment of last Session to the Seed Grain Act with a view to the apportionment of the seed grain indebtedness, such regulations have not yet been ratified by Order in Council.

However, in considering a sale of the fractional North West quarter of Section 10 in favour of J. V. Laughy, it should be noted that since he has stated to be the owner of Mr. Sundberg's homestead he will in any case require to discharge the seed grain indebtedness which now constitutes a charge against both quarter-sections, in view of which it would not appear that this phase of the case need stand in the way of a sale if otherwise satisfactory.

The North West quarter of Section 10 aforesaid contains an area of 80 acres, according to plan of survey, in which connection please see the sketch marked, and subject to Mr. Laughy furnishing proof of ownership of the patented homestead and assuming the seed grain indebtedness, also paying for the improvements, consisting of one-half mile of fencing valued at $10.00, it is recommended that he be granted permission to purchase the land at the price of $3.00 per acre on the ordinary terms.

Area - 80 acres, more or less.

With further reference to your letter of the 12th April last addressed to the Minister, wherein you make application to be permitted to purchase the quarter-section above mentioned, I beg to say that it has been decided to authorize a sale of the land in your favour at the price of $3.00 per acre, subject to your furnishing proof of ownership of the North East quarter of Sec.9-40-5-W.4th, the patented homestead of Charles O. Sundberg, and completing payment for the improvements on the fraction, stated by a Homestead Inspector to consist of one-half mile of fencing valued at $10.00: further subject to your completing payment of the seed grain indebtedness charged against the Sandberg homestead, as well as his former pre-emption, in accordance with the following statement:-

Principal (balance).....	$154.21
Int.@ 5% from 1st November, 1915, to 1st October, 1927.....	91.94
Total.....	$246.15

on account of which the sum of $10.00, to be paid for improvements, may be applied.

The terms of purchase will be cash within sixty days of acceptance of this offer or payment of one-fourth of the total purchase price within that period, and the balance in three equal annual instalments with interest at six per cent, interest being charged on overdue instalments, if any, at the rate of seven per cent per annum. Re N.E.9- N.W.10-40-5 W.4th.
a/c. of C. O. Sandberg.

Mr. J. W. Greenway,
Commissioner of Dominion Lands.

In the year 1915 Charles Oskar Sandberg received an advance of seed grain, $299.30, giving as security a lien against the above described land, the N.E.9-40-5 W.3rd being his patented homestead, and the Frac. N.W.10 his unpatented pre-emption, which was cancelled on the 13th May, last. A payment was received on account of this indebtedness in 1915, leaving a balance due to the 1st October of $246.15.

The N.E.9, according to information on file, is owned by J. V. Laughy of Metiskow, Alberta, who is negotiating with the Department for the purchase of the fractional N.W.10-40-5 W.4th, which contains 80 acres, the former being valued at $6. per acre and the latter at $3. Mr. Laughy has been told that he may purchase at $3. per acre, assuming the outstanding balance of the seed grain indebtedness and paying for the improvements, $10.00, but has not yet replied. There is nothing on file to show that sale of the N.E.9 was or was not subject to the seed grain indebtedness, but in February, last, the title to the N.E.9-40-5 W.4th stood in the name of the Canada Life Assurance Company, who were asked to advise what arrangements were being made for the liquidation of the account, but failed to reply.

Charles O. Sandberg is now living on the S.W.27-39-18 W.2nd, which he has rented from Mr. J. W. Hutchison of Spalding, Sandberg getting 2/3 of the crop. and has 65 acres in wheat, 40 acres in oats and 85 acres in rye. When asked to make payment of his seed grain indebtedness, Sandberg claimed that the Bank of Commerce, Naicam, Saskatchewan, had a lien on his share of the crop and also on his stock and machinery, for which reason he was unable to promise any payment or give any security. The Manager of the Bank, however, stated when interviewed that the bank did not hold a lien on the crop, their claim being for a loan and not seed grain. It will be noted that while Mr. Sandberg is stated to be farming one quarter section, the total acreage given amounts to 190 acres, and in addition the debtor is stated to have 8 cows, 4 calves and 11 horses, for which he would require pasture, so that it is probable he is farming a half-section.

"Seize Charles O. Sandberg's share "south west twenty seven thirty nine eighteen west "third and any other quarter he is farming account "two hundred and forty six dollars fifteen cents "first October. Writing."

I may state that the report on which the recommendation for seizure is based states that Sandberg is living on the S.W.27-39-18 W.2nd which he has rented receiving 2/3 of the crop, and that he has 190 acres in crop, also twenty three head of stock, for which he would require pasture. It is evident, therefore, that Sandberg is farming more than one quarter section, although only one is described in the report.

When asked to make payment, Sandberg stated that he was unable to promise any payment as the Bank of Commerce, Melcom, Sask-tchewan, had a lien on his crop. The manager of the bank, however, stated that the bank had no lien on the crop. Sandberg formerly held the N.E.9 and N.W.10-40-5 W.4th but no longer has any interest in these lands.

MEMORANDUM

Mr. J. W. Greenway,
Commissioner of Dominion Lands.

Referring to my memorandum of the 16th ultimo, relative to seizure of the crop belonging to Carl O. Sandberg on the S.W.27-39-18 W.2nd. I beg to state that a warrant of seizure was duly issued for Mr. Sandberg's share of the crop. Mr. Martin has now forwarded a letter from the Sheriff at Humboldt, enclosing a letter from the Secretary-Treasurer of the Rural Municipality of Spalding, Spalding, Saskatchewan, who states that it is out of the question to expect Mr. Sandberg to pay anything this year, owing to heavy expenses due to illness in his family and difficulties in starting operations in a new district, he having had to leave his farm in Alberta owing to lack of moisture, and asks that the account be carried for another year.

The Sheriff mentions that, in addition, Mr. Sandberg is of the opinion that his seed grain indebtedness was paid out of a car load of wheat sold to Messrs. Strong & Dowler. However, the amount remitted by the firm to whom Messrs. Strong and Dowler shipped the wheat was the usual 50% collected in 1918, amounting in this case to $153.39.

The wheat threshed by Mr. Sandberg this year, of which his share was 300 bushels, was sold before seizure was made, and the 300 bushels of rye and 300 bushels of oats now held is stated to be of poor quality. In view of the circumstances mentioned by the Secretary-Treasurer, I would recommend that the seizure be released on the understanding that the account will be paid next fall.

Regarding Mr. Sandberg's contention that this account was paid from the proceeds of a carload of grain shipped through Messrs. Re . NE 9 NW 10-40-5, W4

I beg to enclose a report by Homestead Inspector [illegible] on the seed grain indebtedness of C. O. Sandberg .

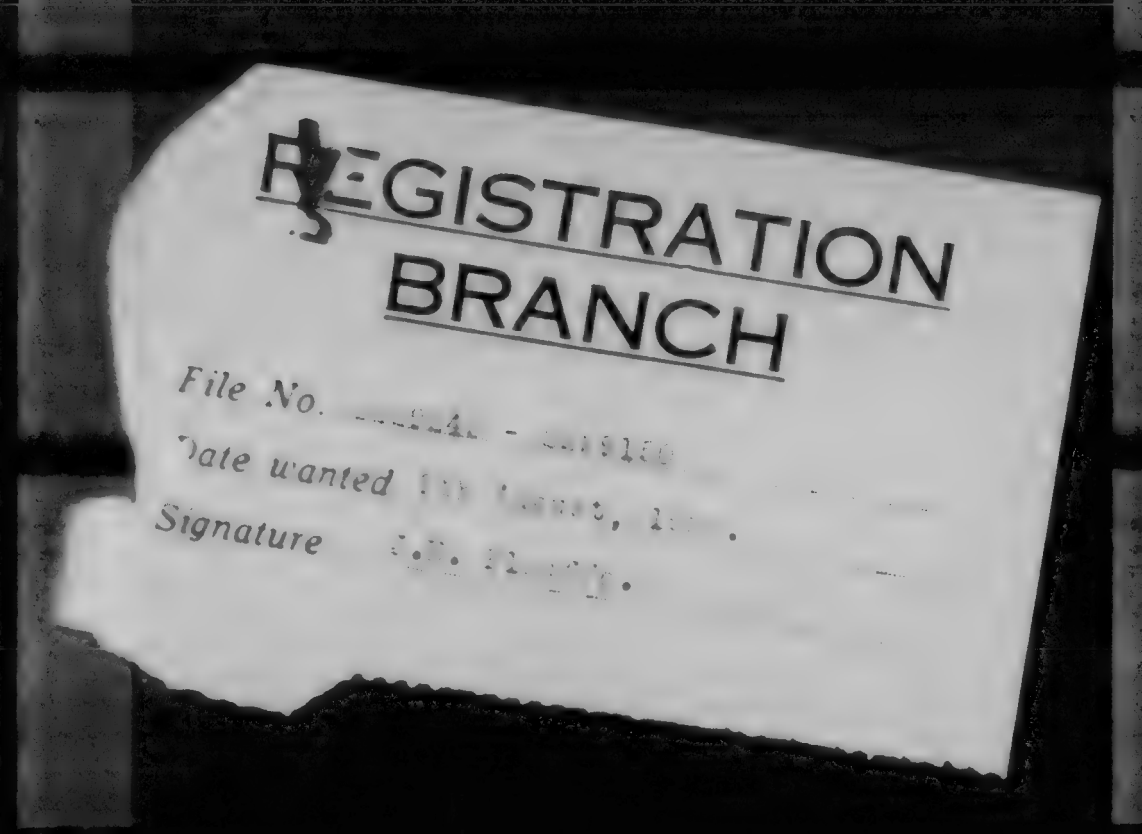

The Inspector mentions a payment of $65.00 which he collected from J. V. Laughy. When the Inspector forwarded the payment to this office the name of the payer appeared as J. Langley, and it was not stated what connection the payer had with this land. It was assumed here that he was paying it on behalf of Sandberg. It now appears that J. V. Laughy has purchased the NE¼ of Section 9-40-5, W4th Meridian, from the Municipal District, and made the seed grain payment in his capacity of purchaser of that land. Laughy has also been granted permission to purchase 80 acres, more or less, of the fractional NW¼ of Section 10-40-5, W4th Meridian, which was formerly held under pre-emption entry by Sandberg.

The sum of $11.50 was deducted from the amount of $65.00 collected from Laughy, and forwarded to you on the 11th instant to cover the cost of the seizure placed on Sandberg's grain in Saskatchewan.

In view of the circumstances under which Laughy made the payment of $65.00, as stated above, I am of the opinion that a deduction should not have been made to cover the seizure costs, because when Laughy purchased the NE¼ of Section 9 from the Municipal District the title was charged only with Sandberg's seed grain indebtedness, as apparently the amount of $11.50 was not registered

If Mr. Matheson has remitted the costs of the seizure to the Sheriff I think he might draw a refund cheque on his Contingent Account for the amount so remitted, and this amount could then be placed again at the credit of Laughy in the Seed Grain Account.

MEMORANDUM:

Oskar Sandberg is indebted for Seed Grain. His patented homestead has been acquired by J. T. Laughy who has also been permitted by the Department to purchase as a fractional area Sandberg's cancelled pre-emption.

Steps were taken to issue a warrant of seizure against Sandberg but the seizure was released.

Laughy has made a payment on account of the Seed Grain Debt and through an oversight the cost of the seizure has been deducted from this payment (for details please see Mr. Hogan's memo underneath).

Mr. Matheson thinks the costs of the seizure were properly charged to the debtor, that is, he considers that Laughy made the payment really on behalf of Sandberg. There is no doubt that if the Department were obtaining payment direct from Sandberg he should be charged with the costs of the seizure.

On the other hand, it seems doubtful if we can collect from Sandberg and if Laughy is to pay the Seed Grain Debt he should not be required to bear the costs of the seizure.

Re: J. V. Laughy - N.E.-9 N.W.10-40-5-W.4.
s/s of Oscar Sandberg & Seizure - S.W.27-39-18-2.

Answering your communication of the 1st ultimo in which you enclosed one directed to you by the Acting Assistant Agent at Calgary, I beg to advise that in view of the fact that the seizure in question was executed as against the crop grown by Sandberg, it does not seem entirely equitable to charge Laughy with the costs as he was not in any way responsible for Sandberg's failure to remit payment which resulted in the warrant. It is considered that he should, therefore, be credited with the full amount paid, namely - $65.00 and that the costs in connection with the seizure may be met from your Contingency Fund with collection of the amount made from Sandberg at the first favourable opportunity.

The Department can, however, apparently look to Laughy for payment of the balance due on the indebtedness as he has purchased the patented quarter at a tax sale and the sale of the unpatented quarter to him was conditional that he pay the outstanding indebtedness.

N.E. 9-40-5-W.4th M.

This was the homestead of Charles Oskar Sandberg, patent for which issued in his name on the 22nd October, 1914. According to an Abstract of Title drawn under date of the 9th February, 1927, the title then stood in the name of the Canada Life Assurance Company with the lien of $299.30 shown to have been registered on the 20th July, 1915. It is stated by the Agent at Calgary in his letter dated the 27th April, 1928, that one, J. V. Laughy purchased this land from the Municipal District and it is stated also that he, Laughy was granted permission to purchase 80 acres of the fractional N.W. 10-40-5-W.4th M., formerly held under pre-emption entry by Sandberg.

N.W. 9-40-5-W.4th M.

Dear Sir:-

I am in receipt of your letter of the 17th March, forwarded by Mr. J. Lorne, Chairman of the Debt Adjustment Board, Calgary, in which you contend that a payment of $81.00 which you made on the 11th March, 1936, should have been applied to purchase price of the S.E. 1/4 10-40-5 W.4th and not on account of the seed grain indebtedness of the former entrant, C. B. Lundbert. In reply I beg to advise you that it was a part of the agreement to purchase this land that you assume and pay the seed grain indebtedness outstanding against same. The payment was received as on account of seed grain indebtedness and was so applied, and at the time no protest was made that it should be credited to purchase price, and in the circumstances no action can now be taken to alter its application.

In any event, it is not the practice of the Department to make any refund of purchase price of land where the purchaser defaults in his contract.

OTTAWA 17th June, 1936.

Sir,

NE¼ 9 & NW¼ 10-40-5-W.4th M.

I am in receipt of your letter of the 25th ultimo, and in reply would advise you that the seed grain lien of $299.30 was given by Carl of. Sandberg on the security of the NE¼ 9 and the NW¼ 10-40-5-W. 4th M. These lands consequently form the basis of the only effective means of security repayment.

The purchase thereof by you of the NE¼ 9, from the Municipality of Hillcrest under Tax Sale, could only free the land of the encumbrances other than the Dominion Lien, it being a debt due the Crown, continues to be a charge against any title even after Tax Sale proceedings have been completed.

In regard to the NW¼ 10, you were advised of the conditions of purchase by letter of the 20th September, 1927, copy of which is enclosed, and in which you will note you were required to assume payment of the seed grain indebtedness as shown in the embodied statement therein.

On the 26th March, 1928, Homestead Inspector Kembry reported in connection with the seed grain collections that he had found the NE¼ 9 to have been sold by the Municipality for taxes, and that the land had been purchased by you, and stating also that he had collected the sum of $65.00 from you.

There is on file a copy of a communication from the Agent of Dominion Lands dated the 17th October, 1928, and addressed to you, copy enclosed, intimating how these moneys had been applied. The file therefore bears out the evidence that they were applied for the purpose for which they were collected, namely, application to the seed grain indebtedness.

Enc.

As you apparently desire this case to have the consideration of the Adjustment Board, the case will be referred to them.

Dear Sir:

Re: [illegible] 9-40-5-4.
[illegible] Seed Grain account.
[illegible] Dominion Government.

The above party in 1915 obtained a renewal seed grain advance in the amount of two hundred and ninety-nine dollars and thirty cents ($299.30) as security for which a lien was registered on the title to the above land. Payments have been made totalling two hundred and eighteen dollars and thirty-nine cents ($218.39) and there is a balance outstanding including accrued interest to March 31, 1923 of three hundred and fifty-four dollars and fifty-nine cents ($354.59).

The debtor abandoned this land and the municipality eventually took title under the provisions of the Tax Recovery Act, the tax arrears presently amounting to two hundred and eighty-two dollars and twenty-seven cents ($282.27).

The Interprovincial Pipe Line Company, in order to obtain the necessary financial backing for construction costs by way of a bond mortgage, is required to provide for all encumbrances being a first registered encumbrance on the title to each parcel crossed by the right-of way and this office has been approached with a request for an adjustment in order that the Crown lien may be postponed in favor of the easement.

I would recommend that the sum to be paid for the right of way be distributed on a pro-rata basis between the amount owing in respect of taxes and the balance of the seed grain account, the distribution being as follows:

Taxes	$21.63
Dominion Lien	27.17
	$48.80

The above party in 1925 obtained a rural road grid service in the amount of two hundred and ninety-nine dollars and thirty cents ($299.30) as security for which a lien was registered on the title to the above land. Payments have been made totalling two hundred and eighteen dollars and thirty-nine cents ($218.39) and there is a balance outstanding including accrued interest to March 1,1950 of three hundred and fifty-seven dollars and fifty-nine cents ($357.59).

The debtor abandoned this land and the municipality eventually took title to it on the 29th day of December, 1944. The tax arrears presently amounting to two hundred and eighty-two dollars and seventy cents ($282.70).

The Land Titles Office, in order to obtain the necessary financial backing for construction costs by way of a bond issue, is now about to issue a first mortgage to knowledge for all expenditures being a first charge on the title to such lands. A caveat registered against the title to the above land aroused by the right-of-way and this office has been approached with a request for an assignment in favor that the Crown Lien be postponed in favor of the easement.

I would recommend that the sum to be paid for the right of way be distributed on a pro-rata basis between the amount owing in respect of taxes and the balance of the Road Grain account, the distribution being as follows:

Your file [illegible].

The Interprovincial Pipe Line crosses the above land and in order to finance the construction of the pipe line it is necessary that the company hold easements registered on each parcel which rank prior to other encumbrances. Board Order No. 10,700 is enclosed herewith requesting that the federal lien be postponed permitting the easement to become a first charge on the title.

There is a great degree of urgency in this connection in order that the company can proceed with the arrangements incidental to obtaining the necessary finances under the Lend Lease Act. I understand that Mr. H.S. Bridges, Solicitor for the Interprovincial Pipe Line Company has discussed this question with you and that you are thoroughly familiar with the particular circumstances existing.

It is, therefore, requested that you be everything possible to expedite the processing of this case and your assistance in this matter will be very greatly appreciated both by this Board and the Company concerned.

The Company will arrange payment through this office of the sum of $27.17 immediately the Board Order has received final approval.

This Board Order will be included in the minutes of the next meeting of this Board.

We are the solicitors for Interprovincial Pipe Line Company who have obtained an Easement from the Municipal District of Provost over the N.E. [illegible]. This land is subject to a Seed Grain Lien registered by the Crown the 31st of July, [illegible] for the sum of $[illegible] with interest at the rate of [illegible].

Mr. [illegible], Chief of the Department of Municipal Affairs of the Government of Alberta, advises us that he has recommended to your Department that they should grant a postponement of this Seed Grain Lien and should divide the consideration set out in the Easement between the Provincial Government and the Municipal District of Provost.

There is a good deal of urgency to this matter, and we would appreciate anything you could do to obtain the necessary postponement for us or alternatively a discharge of the encumbrance so that we may arrange to have our client's Easement registered as a first charge.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain amounting to $279.30 was advanced to Charles Oskar Sandberg on the security of the above mentioned land. Payments of $153.39 and $65.00 were received in 1915 and 1920 and applied to the principal and interest. Order in Council P.C. 1951/3411 dated the 14th of July 1950 authorized that part of the N.E. 9-40-5-W4 to be used as a right of way for a pipe line be released as security for the lien on the payment of $27.17. The present standing of this account is:

Patent was issued in the name of Charles Oskar Sandberg for the N.E. 9-40-5-W4 on the 22nd of October 1914 and later became subject to the 1915 lien. The N.W. 10-40-5-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 13th of May 1927 and the land is still unalienated Crown Land held in the right of the Province.

In 1928 the N.E. 9-40-5-W4 became subject to forfeiture proceedings for nonpayment of arrears of taxes and title has since been acquired by the Municipal District of Provost No. 52.

In reply to our questionaire of the 15th of October 1952, J.G. Nelson, Secretary Treasurer, Municipal District of Provost No. 52, advised that the N.W. 10-40-5-W4 is still vacant Crown Land and that the N.E. 9-40-5-W4 is included in a grazing lease issued to a Mr. V. Downing. As such the land no longer offers any security of value for our lien. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the lien discharged.

C.W. Gilchrist.

of this alkali strip is bare of grass.

It is a sparsely settled district on account of the poverty of the land. There are several quarters open for Homesteading and only 1/12 or 13 miles from Railway. Considerable of the land which has been homesteaded is unoccupied.

This land, if fenced, might rent, but even that is doubtful as there is so much vacant land in that locality.

Noting your Memo of the 19th instant, I inspected the above land on the 23rd, and submit the attached sketch in duplicate, to give you an idea of the kind of proposition it is.

In my opinion it would have been better if it had never had any breaking done. It is of little use except for pasture. The breaking up and subsequent cultivation destroyed the long fibrous roots of the grass which grows on such sandy land. It takes years for the sod to again thicken sufficiently to prevent the sand drifting.

There are, as will be noted, two ridges of sand, one across the north side and the other across the south, while a wide alkali strip with little grass thereon, runs diagonally across from N.W. to S.E. and in fact the centre

DEPARTMENT OF THE INTERIOR

Sir,

Reverting to your letter of the 20th August last, I beg to inform you that, with a view to coming to a decision in the matter, the Department has had the above property inspected by the Inspector of Values of the Provincial Government. I attach a copy of his report, together with rough sketch, for your attention.

We have also had other local enquiries made, and it is gathered that the re-ploughing of the land in question would serve no useful purpose, the soil being white sand, and therefore apparently incapable of producing a crop. It is also pointed out that the re-breaking and subsequent cultivation would render the land useless even for grazing purposes for a considerable period. In view of the fact that the district is so sparsely settled, (which, in itself would appear to indicate the poverty of the land), it seems very doubtful indeed whether the property would have any market value, although it may possibly be leased during the incarceration of the entrant, for a very nominal rental.

In these circumstances, and consideration being given to the fact that the entrant appears to have made a bona fide attempt to complete his residential and other duties, may I respectfully suggest that your Department might reconsider the matter, both from the point of view of re-ploughing and the necessity of increasing the value of the dwelling house.

Your obedient servant,

Deputy Administrator of Lunatics' Estates.

Acting Land Commissioner

The Officer taking this application for patent is requested to exercise particular care that the name of the homesteader is given in full and correctly spelled.

27th September, 1935.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

The undersigned has the honour to report:-

That Section 13 of the Alberta Natural Resources Agreement (ratified and given the force of the law by the British North America Act, 1930) provides that all interest in Crown lands in the Province, upon the security of which any advance has been made under the provisions of the Soldier Settlement Act and amending Acts shall continue to be vested in and administered by the Government of Canada for the purposes of Canada;

That Richard A. Hennessy who holds Soldier Grant entry for the South West quarter of Section 2, Township 34, Range 3, West of the 4th Meridian has made application to have the said Soldier Grant entry transferred to his second homestead entry, the North East quarter of Section 2, Township 34, Range 3, West of the 4th Meridian, which parcel of land is under the administration of the Provincial Authorities, in order that his two children may be closer to the school; and

That a mutual agreement has been arrived at between the Soldier Settlement and the Department of Lands and Mines of the Province of Alberta regarding such transfer.

Therefore, under the circumstances, the undersigned begs to recommend that the interest of the Crown in the South West quarter of Section 2, Township 34, Range 3, West of the 4th Meridian, in so far as such interest is now vested in the Crown in the right of the Dominion of Canada, be transferred to the Province of Alberta, subject to any trusts existing in respect thereof, and to any interests other that of the Dominion in the same; and

That such transfer be on the understanding that the North East quarter of Section 2, Township 34, Range 3, West of the 4th Meridian, now vested in the Province of Alberta be transferred, free of all encumbrances, to the Crown in the right of the Dominion, as represented by the Honourable Minister of the Department of the Interior.

Respectfully submitted,

Minister of the Interior.

Precis for the Hon. the Privy Council.

The Memorandum to Council, herewith, recommends that the South West quarter of Section 2, Township 34, Range 3, West of the 4th Meridian be transferred to the Province of Alberta. This quarter section is the soldier grant entry of Richard A. Hennessy and was excepted from the transfer of the resources by virtue of the provisions of Section 13 of the Alberta Natural Resources Agreement, since advances have been made upon the security of the land under the provisions of the Soldier Settlement Act.

Richard A. Hennessy a settler under the Soldier Settlement Act, made application to move his buildings from his mortgaged quarter section, namely, the North West of Section 2, Township 34, Range 3, West of the 4th Meridian, to his second homestead the North East quarter of Section 2, Township 34, Range 3, West of the 4th Meridian, which latter parcel of land is under the jurisdiction of the Provincial Authorities. The object in moving the buildings was in order that his two children would be closer to the school.

A mutual agreement has been arrived at between the Soldier Settlement and the Department of Lands and Mines of the Province that provided the South West quarter of Section 2, Township 34, Range 3, West of the 4th Meridian is transferred to the Province, the Province in return will transfer to this Department the North East quarter of Section 2, Township 34, Range 3, West of the 4th Meridian, which parcel will then become the Soldier Grant of Mr. Hennessy subject to a charge on behalf of the Soldier Settlement.

It is recommended in the accompanying Memorandum to Council that the interest of the Crown in the South West quarter of Section 2, Township 34, Range 3, West of the 4th Meridian, in so far as such interest is now vested in the Crown in the right of the Government of Canada, be transferred to the Province of Alberta, subject to any trusts existing in respect thereof, and to any interests other than that of the Dominion in the same. Such transfer on the understanding that the North East quarter of Section 2, Township 34, Range 3, West of the 4th Meridian, now vested in the Province be transferred to the Crown in the right of the Dominion, as represented by the Honourable Minister of the Department of the Interior, and free of all encumbrances.

Mr. [illegible],
Chairman,
Seed Grain and Relief Advisory Board,
Edmonton, Alberta.

Dear Sir:

Re: [illegible] Sinclair.
[illegible]-4. Seed Relief Advances.
Supplementary to Board Order No. [illegible].

The above party received seed relief advances in the amount of One Hundred and One Dollars and Ninety-three cents ($101.93) giving as security to the extent of seventy-four dollars and sixty-two cents ($74.62) a lien on the [illegible] and a chattel mortgage for twenty-seven dollars and thirty-one cents ($27.31).

Under the above board order the advance against the [illegible]-4 was reduced by the amount of seventy-four dollars and sixty-two cents ($74.62) representing the original amount of the advances secured by land lien. Including accrued interest to March 31, 1941 there is now a balance outstanding of [illegible] and seventy-nine cents ($25.79) after application of the sum called for in Board Order No. 2461.

The balance of this account was [illegible] against the debtor under his personal covenant and against the [illegible] by the chattels mortgage. The letter was unable to [illegible] farming operations due to a partial [illegible] and eventually moved from this part of the country likely with a view to re-establishing himself elsewhere in a more favourable locality with the result that his present whereabouts are unknown.

The chattels which were held as security will have by now disappeared entirely as the chattel mortgage covered [illegible] and was given in 1932.

As there is now no further security nor any possibility of obtaining repayment under the personal covenant I would recommend that the balance outstanding be written off.

Yours truly,

[illegible]

Dear Sir:

I have your letter of the 6th November, relative to your request as to the age of the above named.

Our records disclose that one Klmo Geary applied for homestead entry on the 21st April, 1908 for the NE ¼-10-54-9W 5th Meridian.

I regret to inform you that as the said entry was subsequently cancelled on the 29th November 1911, our records do not disclose his age. Had he made application for Patent for the said land, his age would have been shown on the said application.

Dear Sir:

Re: William Elmo Geary

We have in our employ as a Sleeping Car Porter W. E. Geary, colored, who claims to have taken up a homestead in the year 1908 in the vicinity of Junkins, Alberta, now Wildwood. Particulars of this homestead are as follows:

NEQ Section 10, Township 54, Range 9, W. 5th Meridian.

He is required for staff record and pension purposes to produce proof of age, however, it is found his birth is not recorded in the United States. We would appreciate you advising if your records contain any information as to his date of birth or age at the time he applied for this homestead.

Geary has advised he lived at this homestead during the years 1908, 1909 and 1910. He has further advised that when he entered this country in the year 1907 he arrived with his stepfath, Allen Mack, who also homesteaded in the vicinity of Junkins, details of which are not available.

Any information you may be able to furnish from records available will be useful to Geary to establish his date of Birth for Company requirements.

Thanking you for a prompt reply.

Yours very truly,

THE EXECUTIVE COUNCIL reports:

The undersigned has the honour to report;

That Section 12 of the Alberta Natural Resources Transfer Agreement (ratified and given the force of law by the British North America Act, 1930) provides that all interest in Crown lands in the province, upon the security of which any advance has been made under the provisions of the Soldier Settlement Act and amending acts, shall continue to be vested in and administered by the Government of Canada for the purposes of Canada; and

That a charge made against the South West quarter of Section 2, Township 34, Range 3, West of the 4th Meridian, to secure loans advanced under the Soldier Settlement Act prior to the transfer of the natural resources, was recently withdrawn.

The undersigned is of the opinion that it would be in the public interest to place the Province of Alberta in a position to administer this land along with those already transferred, and, therefore, begs to recommend that the interest of the Crown in the South West quarter of Section 2, Township 34, Range 3, West of the 4th Meridian, in so far as such interest is now vested in the Crown in the right of the Government of Canada, be transferred to the said Province, subject to any trusts existing in respect thereof, and to any interests other than that of the Dominion therein.

Dear Sir:-

re File No. 37697

Replying to your letter of the 2nd inst., there has been considerable difficulty in obtaining the necessary bondsmen required to obtain letters of administration of the estate of the late Mathius Chmelka. I understand the required bondsmen will be furnished this week and the papers forwarded to Calgary immediately when application will be made to the Judge.

I think you may expect the necessary document in the course of about three weeks.

Yours faithfully,

REMARKS.

Under these circumstances it has been decided to abandon the cancellation proceedings which are pending, it being taken for granted that you were continually performing the requisite residence in a bona fide manner.

It would be to your advantage to immediately communicate with the Agent of Dominion Lands at Maple Creek when you have established your residence on the homestead or pre-emption.

Your obedient servant.

Assistant Secretary.

[illegible]

Sir,

With reference to the cancellation proceedings pending against your entries for the East ½ of Section 35, Township 14, Range 4, West of the 4th Meridian, I am to inform you that the Homestead Inspector has reported that you have placed good improvements on the land in the way of cultivating forty five acres, and erecting a half mile of fencing. It appears, however, that your residence was performed on your father's land, the South West ¼ of the same section, and that your father was not actually in residence during a considerable portion of the time. In this connection I am to say that while bona fide residence with your father on his homestead would count to your credit in connection with your homestead entry, it would not be of any value in connection with your pre-emption entry, and that before you would be in a position to make application for Letters Patent for your pre-emption, you would have to completedsix months in each of six years either on your homestead or pre-emption.

Your obedient

Horace L. Daniel, Esq.,
